- Chapter - 1, Section - 2

- Exercise - 04

- Verifying ID - 170506129

* Solution:

$$\neg S \rightarrow (W \rightarrow d)$$

The previous solution implied: w and d which is to say that if you are a subscriber to the service, then you can use wireless and pay the daily fee. That is not what the sentence says. If it is not the case that you are a subscriber then (you can use wireless network in the airport only if you pay the daily fee).
